

KNITTED TREASURES FOR UKRAINE

When Common Man for Ukraine's convoy heads back to Ukraine in December, we will, as always, bring holiday gifts to children.

Last year, in addition to our humanitarian aid, we handed out more than 6,000 generously donated hand-knit hats. This year we'd like to expand our reach to include families too. We are hoping to deliver not only **hats**, but **socks** and **mittens**, in all sizes. We are so grateful for whatever you, your circle, club or shop can make and send along.

You may use any patterns you like. We will be accepting donations at our New Hampshire office through **November 14**.

Mailing address:

Common Man for Ukraine
71 Main Street
Plymouth, NH 03264

Many thanks for your
support of the
innocent children and
families in Ukraine!
Let's bring them
some warm holiday
cheer in December!

Before you box up your 'treasures,' take a photo of your donation and send it along with a list of what's in the package to Pam Caldwell, our coordinator for this project.

She can track the donations, let us know that another box is on its way, and let you know about the success of the project. She'll also be able to answer any questions you may have.
